Department of Computer Science and Engineering and Artificial Intelligence and Data Science

News Report

Programme Name: **Alumni Interaction Session: Sharing Career Journeys and Industry Insights**

Date: 16-08-2024

Venue: Auditorium

Number of Participants: 180

The Computer Science and Engineering and Artificial Intelligence and Data Science Departments jointly organized an alumni interaction session on August 16, 2024, at 2:30 pm to bridge the gap between current students and accomplished alumni (Batch 5 – Information Technology). The event aimed to provide students with valuable insights into job opportunities, entrepreneurship, and higher studies, drawing from the real-world experiences of the alumni. The session featured distinguished alumni from various fields:

1) Sharrath Vassudhevan Sridhar, Technial Solutions Specialist at Apple Inc. Apple Pay (Canada)
2) Raj Kumar J ,Senior Software Engineer at Clarium Tech Private Limited (Chennai)
3) Elamaruthu A,Testing Engineer CTS (Chennai)
4) Arul Kumar N,Tamil Nadu Prison Dept. (Grade II)
5) Sakthi Sree, Teacher at 'The Adrian Loyal School' (Karur)
6) Chandrasekar V, Video Editor & Retail Assistant Manager (UK)
7) Sarathi S, CEO & Managing Director of Cobra Media

The alumni shared their career journeys, emphasizing the following key points:

- Insights into current industry trends and in-demand skills

- Tips on resume building, interview preparation, and effective networking

- Personal experiences dealing with challenges in their careers and how they overcame them

- Strategies for preparing for competitive exams like GRE, GMAT, GATE, etc.

- Factors to consider when selecting universities and programs for higher studies

- Information on available scholarships, funding opportunities, and financial aid. The event included an interactive Q&A session where students asked questions related to: Specific career paths in different industries, balancing work and higher studies and advice on internships and gaining practical experience during college.
