Principal's Desk

I congratulate the department of Computer Science and Engineering for releasing their maiden Department Magazine “Quantum Quill”, which culminates all the activities, achievements and accolades of the department. I appreciate the editorial board for the same. I urge the department to bring out the best from each student and mentor them to become a successful Engineer with a good academic score, exposure and placement. Best wishes again.

– Dr. A. Punitha, Principal

HoD's Desk

We aim to empower students with knowledge, practical skills, and good values, making them confident and capable individuals. To accomplish this goal, we've organized several workshops, value-added courses, project contests, and cultural competitions for students alongside their regular studies. This magazine showcase the diverse talents of our department's students and highlight the achievements of both our faculty and students. I extend my congratulations to all the faculty and students in our department who contribute to making this happen. I also want to express gratitude to our management, principal and Admin officer who consistently motivates and supports us in organizing various activities to enrich our students.

– Dr. R. Punithavathi, HOD/CSE

About The Department

The Department of Computer Science and Engineering (CSE) blossomed in the year 2007 with an intake of 60 students. The department is equipped with a team of well qualified and experienced faculty to improve and enrich the knowledge of the student community.

The department has excellent computing facilities which includes Intel® Core™ i9 processor with 16 GB RAM, scanners, high end servers, laser printers etc. with round the clock internet connectivity at the speed of 50 mbps. The theoretical knowledge of students is augmented with hands on training that enable them to assemble computers, interface with peripheral devices and troubleshoot. The department is committed to developing quality computer engineers and strives for excellence. The department has signed MOUs with companies such as Oracle, IBM and Cisco. The objective of these MOUs is to bridge the gap between academia and industry. Every year the industry recognizes the department's outstanding students by giving the "Best Student" and "Best Project" awards.

1. Vision & Mission of the Department

✓ Vision

- To develop competent and responsible Engineers to meet the current challenges of modern computing industries

✓ Mission

- To build competencies in advanced computing technologies through project based learning
- To collaborate with industry for research projects and consultancy
- To inculcate the spirit of teamwork, innovation and entrepreneurship among the students

3. Program Educational Objectives (PEOs)

- Apply their technical competence in computer science to solve real world problems, with technical and people leadership.
- Conduct cutting edge research and develop solutions on problems of social relevance.
- Work in a business environment, exhibiting team skills, work ethics, adaptability and lifelong learning.

4. Program Specific Outcomes (PSOs)

- Exhibit design and programming skills to build and automate business solutions using cutting edge technologies.
- Strong theoretical foundation leading to excellence and excitement towards research, to provide elegant solutions to complex problems.
- Ability to work effectively with various engineering fields as a team to design, build and develop system applications.

Academic Highlights (Odd Semester)

Anna University Apr/May 2023 Result....

I Year CSE - 51/60 = 85 Pass %

II Year CSE - 48/58 = 82.75 Pass %

III Year CSE - 52/59 = 88.14 Pass %

IV Year CSE - 50/57 = 87.71 Pass %

Department Over all Pass % = 200/233 = **85.83%**

Value Added Course

1. Three Days Value Added Course on DevOps

The Department of Computer Science and Engineering conducted a Three Days Value Added Course with hands on Training in “DevOps” for our III year CSE Students.

The session was handled by the internal Resource Person Mr. R. Rajkumar ASP/CSE, from 22.01.2024 to 24.01.2024. The course includes DevOps terminology, definition & concepts and understand the different Version control tools like Git, Github. The students had a hands-on experience on the concepts of Continuous Integration, Configuration management, Continuous Testing, Continuous Deployment using Jenkins. At the end of the course, the students can able to handle various DevOps tools like Jenkins, Ansible, Gradle and Maven.

2. Three Days Value Added Course on Full Stack Development Module – 1

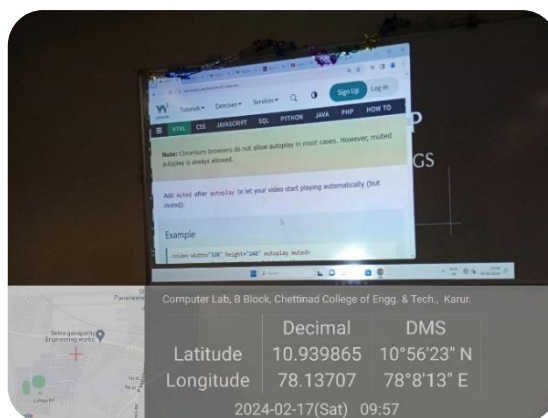

The Department of Computer Science and Engineering has organized a Three days value added course on Hands-on training Course on “Full Stack Development Module – 1” the three days from 15.02.2024 to 17.02.2024 for 2nd Year CSE Students.

Course Includes:

First day covered HTML Elements, Attributes, Text Formatting, Images, Links, Favicon, Tables, List and HTML Div Element. Class Attribute, Layout, Forms, Elements and Attributes.

Second day covered HTML Input Types, Attributes, Graphics, Media, APIs, Links, Tables, CSS opacity, Navigation Bar, Dropdowns, Image Gallery, Forms, Animations, Buttons, Pagination

Third day covered SQL Commands: DDL, DML, DCL, TCL, DQL & Database connection: Frontend and Backend. Sign was handled by Mr. R. Rajkumar, ASP/CSE & Ms. C. Sangeetha, AP/CSE. The students can able to design a web application by connecting a database.

3. Three Days Value Added Course on PHP with MySQL (Full Stack Development Module – II)

The Department of Computer Science and Engineering conducted a Three Days Value Added Course with hands on Training in “Full Stack Development Module – II” for our I year CSE Students.

The session was handled by the internal Resource Persons Mr.B.Sathishkumar, ASP/CSE & Ms.C.Sangeetha, AP/CSE, Dr.T.Gobinath, AP/CSE from 27.02.2024 to 1.03.2024. The course covered the foundation of PHP and MYSQL. The students had a hands-on experience on HTML Form design, Form validation with CSS. The students can able to design various application forms with validation and with database connectivity for different applications. At the end of the course, the students can able to design a responsive and interactive website with database connection.

Technical Events

1. Mini Project Expo'24

Mini project was conducted in our Chettinad College on 6th April, 2024. Our Computer Science and Engineering students innovated new ideas and made a creative project upon their domain. Our third Year and Final Year Students won and got a cash prize. All our students' ideas were very useful and innovative upon their domains. The purpose of the mini-project is to allow you to explore the breadth of research that is being performed within the college. The mini project exhibition showcased an impressive array of innovative and creative projects created by the students. The event provided an excellent platform for students and faculty to witness the culmination of hard work, creativity, and innovation in diverse fields.

Team	Team Members	Year	Title of the Project	Prize
1	1. Mathan Raj M 2. Giriraj L 3. Karthikeyan M	III	co-Sense: An AI and IoT Enabled Smart Waste Management System for Sustainable Environment	1 st
2	1. Ragul K 2. Pranav Jeyan V 3. Muthuannammalai S V	III	IOT using smart Eco vehicle Detction	2 nd

2. Emerging Start-up

- An extraordinary moment to unveil the innovative ventures of our student entrepreneurs! With passion, ingenuity, and relentless determination, these start-ups have come to life. These remarkable young minds shape the future of entrepreneurship. Celebrating the launch of our student start-up companies and their bold pursuit of excellence.

“Where Innovation Meets Inspiration at Pixfect”

Under the aegis of Karthick Raja V, Mohamed Irfan ST, Logeshwaran D, Dhanush Kumar R, Prince Infant A, Parthiban V, Syed Liyas Aziz S, Harish, Kumar RS, Gurumoorthy V, Iniyavan M, Kartheeswaran M, Santhosh S

Description about Pixfect

At Pixfect, we're not just a service provider; we're your partners in bringing your vision to life. With a diverse range of offerings, we cater to your every digital need, ensuring that your brand stands out in a crowded digital landscape. Unlock creativity with Pixfect! From web and app development to logo design and IoT automation, we bring your ideas to life. Experience innovation, craftsmanship, and excellence in every pixel.

3. Add On Courses completion

"We are pleased to recognize **Jayasimma. D of II year CSE** for successfully completing the add on courses in

1. Django
2. Node.js
3. React
4. Api Fundamentals
5. Front end development in CSS

"We are pleased to recognize **Kishore.M** of II year CSE for successfully completing the value-added courses in

1. IBM Cognitive class: Python for data science
2. Perfect plan: Android fundamentals
3. TCS iON: course on communication skills
4. Letsupgrade: Course on building Email spam detector
5. Python Programming Essentials Bootcamp
6. Java Programming Essentials Bootcamp
7. SQL Essentials Bootcamp

"We are pleased to recognize students for successfully completing the additional courses in

1. Great Learning : "what is IOT" - **Karthick Raja. V** of II year CSE
2. Great Learning : "JAVA" - **Mohamed Irfan. S.T** of II year CSE
3. Novi Tech – "Full stack in JAVA"- **Mohamed Asmathulla. G** of I year CSE

This achievement reflects students dedication to continuous learning and commitment for enhancing their skills.

"Congratulations on this noteworthy accomplishment!"

4. Project works

Selected for excellence: students project reflects their talent and commitment to making a difference

In Yi-Yuva, students have been selected as finalists among the top 30 at the **national level**. In the topic of **“AI smartbins for sustainable environment”**

Mathan raj. M

Giri raj. L

Karthi kayan. M

Students have been selected as semifinalists among the top 100 at **TNCPL** in the event **“GUVI”**

Gokul. N.L

Aravindh. T

Students have been selected as finalists among the top 50 at the **state level**. In the topic of **“Ecosense-AI driven waste management using image reorganization”**

Mathan raj.M

Giri raj.L

Karthi kayan.M

Gokul.N.L

5. Student's Contribution

Our Third year CSE Students developed a web application named College Library Management System a module which has been included in our college website. This application helps librarian to maintain the database of new books and the books that are borrowed by members along with their due dates.

by,
U. Hemasundar
M. Mathan Raj
L. Giriraj

Our Third & Final year CSE Students developed a web application for Brahmastra 23 National Level Technical Symposium. The website includes facilities like Various Event Registration, Fee payment, etc.

By,
U. Hemasundar
M. Mathan Raj
L. Giriraj
R. Sanjay
J. Ansari
B. Aravindh

"The significant accomplishment at a different university..."

Congratulations to the team for being selected as **finalists** among 50 teams at **Anna University** in the event Stratify-2.0". This project is a testament to your hard work and dedication".

INVO – Empowering Online Business

Done by,"

Thejesh Bhagavanth G, Hema Sundar U, Vijay Sarath G, Sibi S, Sasinath D

Congratulations to **Mathan Raj. M** on securing an **internship** at **NIT Trichy!**

Congratulations to **Giriraj. L** for being selected as a finalist in **TNSkills** among participants from Tamil Nadu!

Guest Lecture / Workshop

1. One Day Hands on Workshop on “Prototyping your way into Web Design”

The Department of Computer Science and Engineering conducted One Day Hands on Workshop on “Prototyping your way into Web Design”. The resource person was Mr. Jayasurya Gnanavel, Founder and CEO of Cybernaut, Chennai. The welcome address and chief guest introduction was given by Mr. R. Rajkumar, ASP of CSE.

Mr. Jayasurya gave a hands on training on web development, wordpress application. He also added about the industry needs and expectation from the budding engineers. Additionally, he gave various guidelines for attending interviews and how the project need to be developed. Various tasks has been assigned to the students as a team to enhance their development skills. All the students involved and learned enthusiastically.

2. Two days' Workshop with Hands on training on Angular JS with Mongo DB

The department of Computer Science and Engineering organized 2 days' Workshop on **Angular JS and MongoDB** for III CSE students.

The sessions were handled by External trainer **Mr. L. Vinothkumar**, Alumni of ChettinadTech, Software Engineer, L Cube Innovative Solutions, Chennai.

The students actively participated in the sessions, as this workshop often leads to better retention of knowledge.

The outlined topics covered during the training, such as AngularJS Form and Validation, AngularJS HTML DOM, AngularJS MongoDB Connection, AngularJS Modules, AngularJS Data Binding, AngularJS Animations.

These concepts are crucial for building a strong foundation in IT industries.

The students learnt new things from this two days workshop. They are going to implement real time projects by using Angular JS and Mongo DB.

Chettinad
College of Engineering & Technology
Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai.

2 Days Workshop on
ANGULAR JS

Course Delivery

- AngularJS Form & Validation
- AngularJS HTML DOM
- AngularJS MongoDB Connection
- AngularJS Modules
- AngularJS Data Binding
- AngularJS Animations

Resource Person: Exclusively for ChettinadTech III Year CSE Students

Mr. L. VINOCHKUMAR
(Alumni of ChettinadTech)
Software Engineer,
L Cube Innovative Solutions,
Chennai.

15th & 16th March, 2024
Venue : B Block, ChettinadTech

Students Achievements & Participations

1. Vyuhaa'24

VYUHAA'24, an Interdepartmental Cultural Fest has been conducted on March 9th 2024, at the college premises. The event featured a variety of competitions, including individual dance, solo singing, mimicry, craftwork, face painting, group dance, fireless cooking, short film, mime, and instrumental music, showcasing the enthusiastic participation and talent of the students.

Our CSE Students received prizes for various events as follows

Face Painting Runner-up
Jaukline Thanga Jenisha J & Vinothini R - I CSE

Solo Singing Runner-up
Thejash Bhagavanth G - III CSE

Solo Dance Winner
Akshara S - I CSE

5. Kalam Awards

III - Year CSE department students participated in the exhibition held in IFET Engineering College, Villupuram on 31.09.2023 and presented their ideas in The Kalam Awards Competition.

Mathan Raj. M, Giriraj L, Karthigeyan M, Hemasundar U titled with Ecosense - AI driven waste management.

And ThejeshBhagavanth G, Sasinath D, Vijay Sarathi G, Sibi S titled with INVO – Empowering online business.

And Monish M, Thanigaivel J, Venkatesh S, Jeevanatham N received the young Achievers award.

6. AMD AI Challenge Contest

In collaboration with SSF, Chettinad college of Engineering & Technology conducted AMD Pervasive AI Developer workshop in our campus on 20.02.2024. Mr. Bharat Pechetti, Resource person from AMD, delivered keynote lecture about AMD high performance computing Processors and AMD AI software used in high performance computing applications. Ms. Shuba Bhat, Resource person from SSF, discussed about AMD AI contest idea submission procedure. As an outcome of this workshop, 94 Teams (270 students from Department of AI&DS, CSE, ECE, EEE and Mech) submitted their ideas in AMD AI contest website and following 3 teams got selected and won attractive prizes.

Team	Team Members	Year	Title of the Project	Prize Won
1	1. Kavin P 2. Dheenadayalan S 3. Kishore M 4. Jayasimma D	II	Advanced AI Application for physically challenged peoples with AMD hardware support.	Mini GPU
2	1. Thanigaivel J 2. Aravindh P 3. Sanjai S	III	AI Based, Library Book Self-renewal System	Cloud Space
3	1. Parthasarathy P 2. Vijay Sanjay Kumar KR 3. Gowtham S	III	Accessible AI: Empowering the Visually, Speech and Hearing Impaired	Cloud Space

COOKED FOOD SUPPLY CHAIN WITH ERP MODEL

Global Food Security in an Urbanizing World

By 2050, **2/3** of the world's population will live in urban areas.

In the next 20 years,

of the world's population growth will occur in developing nations.

80%

of food for cities comes from domestic sources in rural areas.

The poorest households in the developing world spend

60-80%

of their incomes on food.

“ Don't waste food Because so many needy hands are waiting for it. sleeping with empty stomach. ”

food- *don't waste it*

- 1- buy it with thought
- 2- cook it with care
- 3- buy local foods
- 4- serve just enough
- 5- use what is left

8. Open Day Visit

Programme Name: Open Day Visit

Venue: Indian Institute of Science, Bangalore

Faculty Incharge: Dr G Sahaya Dennish Babu, AP/Physics

Date: 24.02.2024

No. of Participants : 22

- ✓ The Enrichment Committee of Chettinad Tech organized a one-day Open Day visit to the prestigious Indian Institute of Science (IISc), Bangalore, on February 24, 2024. Twenty-two students from the first year of BE and BTech, representing various departments such as CSE, ECE, AI and DS, and Mechanical, accompanied by two dedicated staff members, immersed themselves in this enriching experience.
- ✓ Throughout the day, esteemed faculty members, research scholars, and master students captivated our delegation with insightful presentations, unveiling the wide array of academic programs offered at IISc. Visionary researchers at IISc showcased their ongoing projects and revolutionary technologies, demonstrating ground breaking discoveries that push the boundaries of knowledge.
- ✓ This rendezvous with IISc on Open Day 2024 served as a catalyst for our budding engineers, igniting their passion for academic excellence, research ingenuity, and a steadfast commitment to propel our nation forward. Here's to a future brimming with innovation, driven by the aspirations of our young minds as they navigate towards transformative discoveries and societal impact.

9. Sports & Games

- Ms.A.Charumathi of 3rd year CSE has secured 3rd place in the national yoga Championship 2023 at Karur.
- Ms. G. Hemalatha Final Year CSE has secured third place in 800 meters in Anna University Zone 17 at Dindugal
- Our College basketball team has secured 4th place in Anna University Zone 17 held at Chettinad College of Engineering and Technology.

Mr. Siddharthan – 1st CSE, Mr.Thanigaivel – 3rd CSE, Mr.P.Manoj – Final CSE.

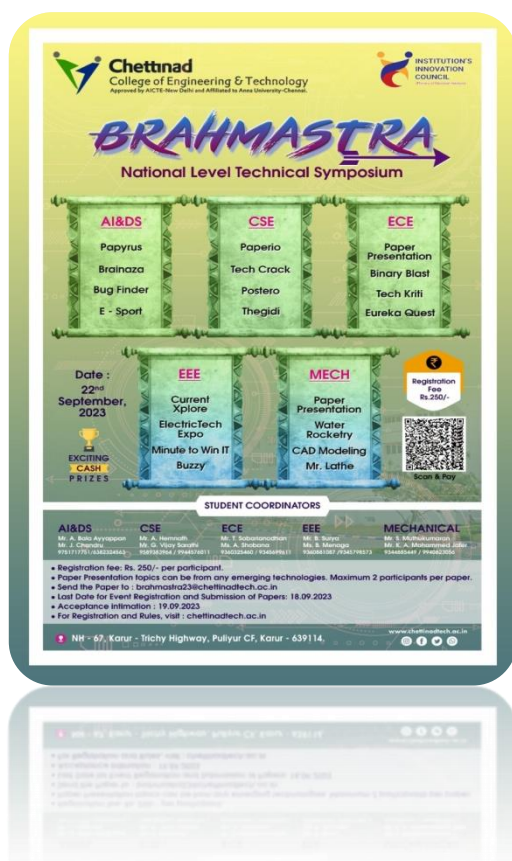

Congratulations!

<p>NATIONAL YOGA CHAMPIONSHIP Third Place</p>  <p>A. SARUMATHI III - CSE</p>	<p>ANNA UNIVERSITY Zonal Athletics Meet</p> <p>THIRD PLACE</p>  <p>G. HEMALATHA IV Year / CSE 800 mts</p>	<p>ANNA UNIVERSITY, CHENNAI - ZONE 17 BASKET BALL - FOURTH PLACE</p>

Department of Physical Education

10. Symposium

The Department of Computer Science and Engineering, Chettinad College of Engineering and Technology, Puliur, Karur, hosted a highly successful National Level Technical Symposium called BRAHMASTRA on September 22nd 2023. This symposium was grand amalgamation of technical, non-technical and on-spot registration event, aimed at providing a comprehensive platform for intellectual exploration and skill enhancement. BRAHMASTRA attracted an impressive turnout with more than 150 registrations from 20 different institutions. This broad participation highlighted the symposium's append significance in the academic community.

11. Industrial Visit

The Department of CSE organized 2 days industrial visit (12.04.2024 and 13.04.2024) to Thiruvananthapuram and Vagamon with 176 students and 5 Staff members. The students visited Vikram Sarabhai Space Centre and Museum and gained knowledge about basic rocket and space vehicles for India's satellite. VSSC explained about the development of sounding rockets, the Rohini and Menaka launchers, and SLV, ASLV, PSLV, GSLV and LVM3 families of launch vehicles.

The students visited Thiruvananthapuram Zoo which is one of the oldest zoos in India. They enjoyed by seeing various types of birds and animals behavior.

The next day students visited various places in Vagamon like Pine Forest, Barren Hills and Vagamon Falls. The students were enjoyed the trip which is adventurous and interesting.

12. Heritage Trip

On March 22nd, 2024, first-year CSE students went on a visit to Sri Agneeswarar Temple and Sadashiva Temple in Nerur as part of the Anna University curriculum. This trip provided them with an opportunity to observe and learn about the temple's structure, the architectural styles, ancient inscriptions, and many statues in the temple, for their understanding of the 'GE3252 Tamils and Technology' course.

They also explored the Karuvloor Chera Archaeological Site Museum, where they saw various archaeological artifacts discovered in the Karur region. During this visit, students delved into the history behind Mudhumakkal Thali, Suduman Doll, Nadukal, Porkaasukal, and many other artifacts.

2. Piece of Poetry

பயணம் !!!

நடக்காத பாதைகள் நடந்த பாதங்கள்
அறியாத மனிதர்கள் அறிந்த புன்னகைகள்
விளங்காத மொழிகள் விளங்கிய உணர்வுகள்
சுவைக்காத உணவுகள் சுவைத்த சுவைகள்
காணாத காட்சிகள் கண்ட மூலக்கூறுகள்
உடுத்தாத உடைகள் உடுத்திய தன்மானங்கள்
கேட்காத வரலாறுகள் கேட்ட அழகுரல்கள்
கற்பிக்காத கடவுள்கள் கற்பித்த நம்பிக்கைகள்
பழகாத நவீனங்கள் பழகிய நடைமுறைகள்
உணராத ஒருமையை உணர்த்தும் பயணங்கள்
பயணிக்காத உடல்கள் பயணிக்கும் கல்லறைகள்
ஆதலால் மானிடா...
பயணம் செய் !!!

- Karthick Raja, II year CSE
