Department of Computer Science and Engineering

News Report

Programme Name: Value Added Course: PHP AND MySQL

Resource Person/Chief Guest): Mr.B.Sathishkumar, AP/CSE,
Dr.T.Gobinath, SAP/CSE

Date: 24-07-2023 TO 26-07-2023

Venue: CSE LAB II

Number of Participants: 60

Our CSE Department successfully conducted the "Three Day Value Added Course: PHP AND MySQL from July 24th to 26th.

The main objective of this course is to teach students how to connect databases using MySQL and PHP. Students of the III-year CSE were actively involved, and by the end of the course, they had learned to design and create a website on their own.
