#### Description:

The Department of Mechanical Engineering conducted the inauguration function of our Mechanical Engineering Students Association (MESA) on October 9, 2023. The Chief Guest was Mr. S. Baskaran, Founder and Promoter of Gallberry Academy, Coimbatore.

The inaugural function started with the welcome address by our department HOD Mr. V. Hariprasath. Office bearers of the MESA association for the academic year 2023–2024 were introduced by our department Association In-Charge, Mr.K. Rajasekar.

Mr. Soundarajan P. III - Year, Mech, introduced the Chief Guest to the audience. Hosting a Guest Lecture on "Opportunities in Mechanical Design/Validation for Fresh Engineers" with Mr. S. Baskaran as the chief guest was a great way to provide valuable insights to our students and help them understand the current trends and requirements in the field of design engineering.

It was an enriching experience for our students and faculty members to have such an accomplished figure in the field of mechanical engineering share insights and expertise. It was an informative and inspiring event for all, and we gained valuable insights in the field of Mechanical Design/Validation. Finally, the vote of thanks was given by Mr. Mohammed Jafar Sadiq K.A. III - Year, Mech.

The entire function was organised and conducted by the office-bearers of the MESA Association.
