

CHETTINAD COLLEGE OF ENGINEERING & TECHNOLOGY, KARUR

IPR CELL

REPORT ON AWARENESS ON INTELLECTUAL PROPERTY RIGHTS

Chief Guest Dr. G. Sahaya Dennish Babu
Sr. Assistant Professor.Physics
Date & Time : 22.03.2022 - 10.30 AM
Venue : C Block Seminar Hall, CNCET, Karur.

On behalf of IPR Cell, organized an Awareness Programme on Intellectual Property Rights for Faculty Members in our College. Dr. G. Sahaya Dennish Babu, Assistant Professor/Physics, he gave an overview of different types of intellectual property, including patents, trademarks, and copyrights,. The program, encompassing key topics such as patent filing procedures, types of intellectual property, and ethical considerations, aimed to cultivate a culture of innovation and responsibility. Participants expressed enthusiasm, indicating an increased awareness of the importance of protecting intellectual creations. The success of the program suggests a positive shift towards integrating IPR principles into the academic fabric, setting the stage for continued initiatives and engagement in the protection and leveraging of intellectual property.
